

IMPORTANT - DO NOT DISCARD

-Illuminated brand medallions are available in two sizes (82mm diameter and 80mm diameter).

-The corresponding o-ring/gasket and medallion must be used together to provide the proper fit and hold the medallion securely in place.

-A set of 82mm o-rings have been installed in the tower medallion holders. Please order 82mm medallions with desired brand logo.

-Enclosed in this bag is a set of 80mm o-rings. Remove the inserted 82mm o-rings and install these o-rings if 80mm medallions have been ordered.

-Please retain unused o-rings for future use.
